Judy Rowland
Superintendent

Dear BCSD Parents,

We have had a great week in Bacon County! Open House has been a great success and our teachers/staff are ready to see your children on **August 10th**!

As your superintendent, I am ultra grateful by the way the entire school and our community continues to come together in the midst of unprecedented circumstances.

Our district slogan this year is **"Believe in BC"** and our community's strength was felt when our students and staff were at home this spring not knowing if we would ever get back to normal. Getting back to school is our first step to getting back to some type of normalcy in our daily lives.

We will post photos on our first day back to school on our school Facebook pages. I ask you as a community to join us by sharing your first day photos with us by using the hashtag **#BCSTRONG**.

This will be a different year as this is a different place in time. Student safety remains our primary goal and we have enacted a number of measures to help mitigate the spread of disease. Our schools will provide safe learning environments in which our students may thrive and find a safe haven at school.

We take great pride in offering a solid forward thinking education to all of our students with an added small-town feel. The sense of community here is truly something special. We are truly blessed to live, learn, and work in this place that we all call **HOME**!

I ask you to work with us as a school system and **TRUST** that we will and are doing everything we can to make our school environment safe for your children. We will have infections, however, we will handle each one on a case by case basis and follow the necessary protocol in order for us to safely continue educating our most precious commodity, **OUR CHILDREN**!

As we begin the 2020-21 school year, I want to thank you again for your continued flexibility, support, and grace. Together, we are definitely a stronger Bacon County.

Sincerely,

Judy M. Rowland

Superintendent
